9. Ingredient mini rhythm game

Critical Path

1. 15 min long

Textures

- [x] ~~Stool Texture (Lindsay)~~
- [x] ~~Quest Board Texture (Flor)~~
- [x] ~~Anvil Texture (Lindsay)~~
- [ ] Bookshelf texture (Xavier)

Level Blockout

- [ ] Re-Do roof to fit textures properly (Camille)
- [ ] Make the walls and floor look like Elias vision

- [ ] Place tools on the bookshelves
- [ ] Place bucket into scene

Forge

- [ ] Fire VFX
- [ ] Model

Player

3D Models

- [ ] Hammer Texture (Elias)

Camera

- [ ] Camera should start behind the player, not pointing down at the floor (Juan)
- [ ] Camera should re-center behind the players head when idle (Juan)
- [ ] Player shakes/jitters when moving left, right, diagonal, and towards the camera (Juan)
- [ ] Camera can get SO close to the player when against a wall, to where the game is no longer viewable. Have it adjust to a new angle or force it to not get so close. (Juan)
- [ ] Move camera into Tutorial scene (Juan)

Controller compatibility

- [ ] PS4
- [ ] Xbox
- [x] ~~Keyboard~~
- [ ] Mouse
- [ ]
